

The GEO Solar Rebate Program

Governor's
Energy Office

Residential Photovoltaic Rebate Application Part 1

APPLICATION INSTRUCTIONS:

STEP 1: Complete and bring or send this application to Mountain View Electric Association, Inc to reserve a rebate. Make sure that you receive a confirmation of the rebate reservation before proceeding with the installation.

*STEP 2: Have the system installed by a CoSEIA-Approved Installer. **Applicants have 90 days from the day the rebate reservation is issued to install the solar system.***

STEP 3: Submit Part 2 of this application to Mountain View Electric Association, Inc to complete the rebate process. Rebates will be only issued once the system is completed.

APPLICANT INFORMATION

Note: In order to be considered eligible for a rebate through this program, systems must be installed at a residence owned by a Colorado resident. The owner does not need to live at the residence.
